PROPOSAL

To follow the tradition and expand the successes, the second edition of the China-Netherlands Economic Cooperation Forum 2018 will be held on the 20th of April in Rotterdam, The Netherlands. The purpose of this event is to facilitate exchanges of economic ideas and business cooperation between China and The Netherlands.

This year, the forum will surround the theme of Smart industry, High-tech manufacturing and Innovation. Experts, enterprises and investors from China and the Netherlands will be invited to discuss trends and development along the Chinese “Made in China 2025” and the Dutch “Manufacturing Industry” (Maak Industrie) initiatives. The entire forum will consist of two parts: the conference in the morning and the business matchmaking event in the afternoon. During the entire day participants will be provided with information on business opportunities in both markets, meeting with policy makers and some 50 well-established Chinese companies, and have chances to hold in-depth discussions with your potential business partners from China.
